**Queenie**

**Cash** Neutered M, Pointer Mix, 1 year. A real cuddle bug! Will sit in your lap if you don't tell him not to. Loves his foster sister, **Queenie**, they even sleep in the same kennel together! Also knows basic obedience.

**Queenie** Spayed F, Dobi/Gray Hound/Shep Mix, 1 year. Has lots of energy and loves to play. Has a sweet nature, would be great with kids. Loves her foster brother **Cash**.

**Nutmeg** Spayed F, Heeler Mix, 2 years. Very loving and sweet toward people. Sometimes doesn't like other dogs. She wants to be the only boss in the house!

**Molly** Spayed F, Shar Pei Mix, 4 years. Does well with other dogs. However, she has NO love for cats! She is very sweet toward strangers and loves people. Loves to give kisses! She has been vetted and is heartworm negative.

**Molly**

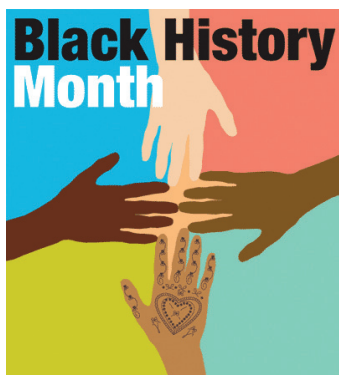

**Bear** Neutered M, Border Collie, 5 years, 61.2 lbs. A little shy, but loves other dogs. It just takes a little time for him to warm up to you. He currently lives on a ranch and enjoys herding the farm animals. Heartworm POSITIVE, but a generous donator has offered to pay for his treatment.

**Mable** Spayed F, Terrier Mix, 1 year, 30 lbs. Sweet, gentle, and well behaved. Loves to romp and play. She loves stuffed doggie toys. Likes other dogs (especially her buddy **Birdi**), people and kids. Housebroken.

**Birdi** Spayed F, Boston Terrier Mix, 1 year, 12.5 lbs. Loves to hop in your lap! Likes belly rubs so much that she'll roll over for anyone. She and **Mable** are best buddies, they love to play together. Appears Housebroken.

**Call 773-3988 to adopt or foster!**

All **APAC Foster & "Almost" Foster Pets** have been spayed/neutered, given vaccinations & a health check-up at a local vet. With adoption, the new owner will receive 6 months of Heart guard. Their adoption fee is \$75-150. **"Almost" Foster Pets** are called so because, we don't have enough foster homes to take them out of the shelter.
